

BRASHIER MIDDLE COLLEGE CHARTER HIGH SCHOOL
WHERE COLLEGE AND HIGH SCHOOL COME TOGETHER

August 8, 2016

Thank you for taking the time to learn about Brashier Middle College (BMC) and our fundraising efforts. BMC is a local public charter high school that focuses on the concept of mastery learning as well as extensive higher education opportunities. At BMC all students have a personalized academic plan based upon their individual interests, talents, and abilities. The school allows every student to pursue career pathways for a seamless transition to college or work while earning a high school diploma and college credit.

As we begin the 2016-2017 school year, we are very excited about entering our 2nd decade of teaching and leading students as a top rated public high school in the state of South Carolina. Our Board of Directors, Administration, and teachers are striving to build stronger corporate partnerships to enhance the educational experience of our students.

In an effort to appeal to many individuals and businesses in our area, four sponsorship levels, ranging from \$125 to \$500, have been created. Your gift to BMC is tax-deductible, as we are a 501(c)(3) non-profit organization. Attached you will see the various ways in which each community partnership level will be recognized. Most importantly, with your financial assistance, we will continue with our mission of creating a community where students strive for higher levels of learning.

Please contact Kipra Anderson (KipraAnderson@bmcchs.org) (864-608-4687) for more information. Thank you for considering our request. Together, our work and contributions will impact the students and our community in a positive way.

Sincerely,

Community Relations Committee
